

Are you looking for an alternate? Do you feel your career needs a change of heading? Has COVID-19 put you on hold? Have you been thinking of applying to a different airline?

INTERVIEW PREPARATION ONLY FOR PILOTS

If the answer is yes, then, you should consider this course and get the professional development that you need. These are challenging times and the pilot recruiting sector has become more demanding than ever.

Along their lives, pilots are often faced with having to apply for new jobs which makes them worry about the English skills needed to pass the interview, think about the difficult psychological questions, or choose the right tone or opportunity to comment about that situation with a passenger.

Positive Rate offers the best ONLINE course to sharpen your language skills and get the professional boost that you need. We specialize in this type of preparation and we will fully guide you through the interview process.

We offer you a unique experience during which we will focus on developing your language skills to communicate in an effective, genuine manner. Our main aim is to help you gain the confidence you need to pass the interview.
